

**WE ARE
HIRING**

GOED
OMEGA-3

Regulatory and Technical Support Manager (Remote Position)

Growth-oriented omega-3 trade association looking for a junior candidate to provide support for regulatory and technical activities in GOED. Ideal candidate should have an analytical mindset with an eye for detail, patience to read regulations and technical reports, and have good interpersonal skills. Some experience in technical and regulatory topics is a requirement, and specific interest in/knowledge of dietary supplements or omega-3 fatty acid business is a plus.

Responsibilities:

- **REGULATORY SUPPORT:** Support senior regulatory affairs staff
 - Updating of and maintenance of global regulatory and quality compilations associated with omega-3s
 - Monitoring global regulatory developments (WTO Notifications, Codex, etc.)
 - Assisting with action items resulting from global Regulatory Affairs Committee discussions
- **TECHNICAL SUPPORT:** Support senior technical staff
 - Execution of annual omega-3 supplement product testing program
 - Ad-hoc support on specific technical projects related to supporting GOED member companies' technical needs

Candidate has/is:

- Education in food science, nutrition, toxicology, pharmaceutical sciences, or similar
- MS degree preferred
- Background in analytical chemistry, oil chemistry and food quality control a plus
- 3-5 years of experience in regulatory and technical topics
- Self-motivated, confident, and interested in staying up-to-date with the latest developments and publications in the field
- Highly organized – strong attention to detail with diligent follow through
- Strong written and oral communication skills
- Ability to multi-task and manage on-time execution of projects
- International/multicultural work experience preferred

Additional details:

- Full time position (40 hours/week)
- Reports to Regulatory and Technical staff persons
- Remote working position (Europe or North America preferred)
- Limited travel (5%)
- Opportunities for internal advancement
- Competitive salary plus variable bonus and generous benefits
- Annual salary range: US\$60,000-\$75,000 (commensurate with experience)

To apply: Please submit your CV and cover letter to jobs@goedomega3.com by March 31, 2024.
