Sponsorship Opportunities

GOED Exchange 2026 takes place in Singapore in March 2026. This biennial conference is the premiere event for the omega-3 industry and being a sponsor gives you exposure to important executives throughout the global omega-3 supply chain. We have developed a variety of sponsorship opportunities divided into PLATINUM, GOLD, SILVER and BRONZE levels. All are available on a first come, first serve basis. Sponsorships are open to GOED members only and all sponsorships include:

- Logo recognition on signage throughout the venue
- Logo and company link on GOED Exchange website
- Logo and company link in *The GOED Current* newsletter leading up to event
- “Sponsor spotlight” in GOED Exchange emails sent prior to event
- PowerPoint slide with sponsor message in loop during attendee seating and throughout the program
- Facilitated introduction to key targeted attendees prior to and during the conference
- Company recognition and logo on GOED Exchange app
- A tabletop exhibit in the coffee break area
- Platinum and Gold sponsors may show a short promotional video to the audience at the beginning of a session. Ideally videos will be educational (how your company is filling a particular market need) or showcase an achievement (a recent environmental certification for example).
